Credits

Booking · https://www.bookedscheduler.com/help/booking/credits/

Credits give administrators control over resource usage.

A resource may be set to consume a certain number of credits for a reservation. If you don not have enough credits, you will not be allowed to complete a booking.

You can view your credit usage in the Credits section under My Account

Purchasing Additional Credits

If enabled, Reservations can be paid for using credits.

If you do not have enough credits to complete a reservation, you can purchase credits in the Credits section of My Account.

You can also view your purchase history and credit usage history in the Credits section of My Account.
