Date Format

My Profile · https://www.bookedscheduler.com/help/my-profile/date-format/

The date and time format used throughout Booked is initially dependent on the language option chosen during login. Users in the USA will see dates formatted mm/dd/yyyy while the rest of the world sees dd/mm/yyyy.

You can change your date and time formatting preferences in your Profile, accessible from the menu under your name in the main navigation.
